We are happy that you are considering joining our club!

Note that all members pay monthly dues of \$15 per person. The dues cover the expenses of running the club (callers' fees, hall rental, insurance, supplies, etc.). Membership includes the cost of dances. In other words, for dues-paying members, the regular Sets in Step dances are free. Your membership application will be reviewed at the next meeting of the Sets in Step Executive Board, after which the club President will contact you.
