Presidents' Message

Dear Sets-in-Step folks –

Just wanted to say that even though the Board is not meeting in the month of July, we are here if you need us. We can't tell you how much this club means to us and the people involved. It amazes us how much our friendship and caring for each other has prevailed even through this "shutdown".

We will not be dancing in July or August, and we aren't sure yet when we can resume. Board members are starting to think about potential "safe-distancing" and "mask-mandatory" gatherings in the Fall, so stay tuned for more information to come.

We hope that everyone has a safe and happy summer. Take care of each other, pray for each other and know that we will dance again – promise!

Member News

...keeping up with Sets in Step friends...

Marguerite Keating sends her love to everyone in the club. She says she misses the Sets, and also misses going to her church. She is staying with her daughter, Zoe, in Santa Clarita, along with her grandkids – it's a full house, and she enjoys being with family. Marguerite has been busy sewing face masks, and working on making quilt tops.

Thea Winner is still at the Fair Oaks in Pasadena, where her son, Bruce, visits often -- although they have to visit outside. Thea says she and all of the Fair Oaks residents have been quite limited in where they can go and what they can do during these past few months of stay-at-home orders. Thea says hi to everyone in Sets and hopes to see everyone again before too long.

Please see the new 2020-2021 Directories for updates to Marguerite and Thea's contact information. If you get the chance, drop a note or call to say hello.

Member News, continued...

Sandy MacLennan has been back to work now for several weeks, and is glad to have that to keep busy. She's been doing a lot of reading, which she enjoys, and goes for walks with a fellow Seafarer who lives nearby. She was happy to be able to get a haircut, and also a manicure!

Don Hughes retired June 30th (congrats, Don!) and Karyn & Don took off for their cabin in the high Sierras for the month of July. They are completely "off grid" up there – no phones, no computers, just lots of fresh air, beautiful scenery, and time to unwind and relax.
