

## President's Message

Dear SIS members!!

Are you hot yet? We are coming into August on a heatwave and it looks like the month of August will not be cooling off just yet!! Stay cool, hydrate and come dance with us on the first Friday and third Friday of this month (well, like all our months!)

We had great dances in the month of July even tho' our second dance was a little shorter than usual since the caller was caught in the Sunland/210 brush fire traffic that night. It all worked out and the wait give all of us time to chat and catch up with each other. And it also gave the hall a chance to cool down a bit more. Once we got going, Rod Schuping did a great job of keeping us dancing and having a great time. Thank you all for your patience and fun attitude!

'Sure hope you all picked up some class flyers to distribute. We have found that these flyers do have an impact on getting our message out on the classes. If you didn't pick any flyers up, never fear, we will have more at our next dances!!!!

That is about all for this month. Hope you all are having a great summer as it is a true blessing to live here in Southern California even with the heat!

See you on the dance floor! Respectfully, Karyn

Please note that our directory has Catherine Budincich listed in the active members' section. Unfortunately, Catherine is not continuing her membership at this time. She is hoping that once her health is better, she'll be able to resume dancing.
