

Presidents' Message

Happy New Year to all the Sets-in-Step Members!

We had great end of the year dances in December which included our Graduation Class Celebration. Congratulations to all those hardworking students. And thank you to all those bakers and donators for the Christmas Treat Bag. With all the donations, those bags were awesome. We had a few left over so we walked them over to the Retirement Home next door. So double thank you for all of your help.

Speaking of our classes: We are postponing the start of the next class until Feb. 3rd. If you can help distribute class information cards or put up posters, just let one of the board members know and we can make sure you have those items. At the classes, we always need Angels to dance with the students. Just show up at the classes and have some fun. We laugh a lot and get a little exercise to boot. We hope to see you there. More information on the class is posted later in the newsletter.

A big welcome to Sets-in-Step for Monica and Enrique Gamez. They both just graduated from our class in December and have just joined our club. Both are great examples of the quality of students from our classes. The Angels are so proud!!!!

Your board is, as always, reviewing all the changing restrictions and guidelines for Covid. As of today, all of the precautions that we had in place in 2021 will remain for now at the beginning of 2022. The board will keep you all notified of any changes.

Have a great New Year and be safe, dance with us a lot and, of course, always be kind.

Your Presidents.

Karyn and Jim
