## JUNE 2022 newsletter

### Presidents' Message

Hi SIS Square Dancers

Whew!!! We made it through May. During this past month we finished our spring series of square dance classes, issuing 7 completion certificates to new square dance students; we held our May 6 Friday night dance where we had enough people to staff 4 squares; and we had our May 20 Anniversary Dance where we celebrated our club's 64 anniversary with Darren Gallina calling in front of a live band. A special thanks to Sandy MacLennan and her crew of volunteers for all the preparation for and cleaning up after the Anniversary Dance where we had more than four squares dancing. We also did a visitation to the Western Weavers Dance in Burbank on May 13 where Dale Hoppers was calling, their first regular dance since the beginning of the pandemic.

Things will settle down now a bit in June since we won't be having student classes again until September. But there are a few important events to keep in mind. First, we will continue having our regular 1<sup>st</sup> and 3<sup>rd</sup> Friday night dances at the Knights of Columbus Hall. These are not only attended by our own club members but often members from other dance clubs in the area. We will also be letting club members know about dances that other clubs are having so we can keep up our dancing skills. AND, on Sunday June 12 we will hold a very special in-person pot-luck club board meeting at Ileana and Will Shaw's home. This board meeting is open to ALL SETS-IN-STEPS CLUB MEMBERS (not just the board members) and is a celebration to welcome in the newly-elected board members for the 2022-2023 dance year. Please plan to attend if at all possible.

We look forward to seeing you all at these events.

You club Co-presidents

Karyn and Jim
