

## **Presidents' message**

Happy summer everyone. Yes, it's officially summer. The weather is still cooler than usual, but that just makes dancing much more comfortable. So don't stop coming to the dances. We promise, we will do whatever we can to keep you cool while you have a great time.

Did you notice something different at the last dance? Ileana Shaw researched and implemented a singles rotation. It was a rousing success! We had four squares for the whole dance. Everyone got to dance, and there were very few people sitting around bored. If you have any comments or suggestions to make it even better, please let us know.

The number of people on the "Illness list" is still too long. Marguerite, Sharon, Thea, and Helen are all trying their best to get better and come back to us. Most of them would love to hear from you. Former Member Nancy Freeman while not officially ill, is at home alone a lot of the time and would love to hear from you as well.

We have some great visitations planned, so we hope more of you will join in on the fun. Don't forget, we will be Dark on July 5, but we hope you have a wonderful 4<sup>th</sup> of July.

Connie Yeseta, president and Karyn Smithson-Hughes, co-president

## **Honoring our Vets**

At the club dance on July 19<sup>th</sup>, we are holding our annual "Honor our Veterans" celebration. We recognize the contributions of all who have served in any branch – Army, Navy, Air Force, Marines, Coast Guard – and thank you for your service. We invite members and friends who have served to bring any memorabilia that you would care to share with us, and we'll have a special side table set up to display everything.

## **Dancing with the stars?**

Well, maybe not quite that glamorous, but you may recall that some Sets in Step along with friends from other clubs got to dance on the set of a TV Show back in January of this year. The episode aired in late June, and as soon as we get our complimentary DVD copy of the show, we'll set a date when we can all get together to see it. "Stay tuned" as they say, for more information.
