**D = Decorators:** ask the club Party Chair what you plan to do for decorations -- the club may already have what you need!

**RC = Refreshment chairs:** contact your refreshment assistants ahead of time to coordinate who will bring what.

**RA = Refreshment assistants:** help the refreshment chair with the food, and also plan to help set up and stay to clean up.

Everyone: Please swap with someone if your assignment does not fit your schedule, and inform your committee chair of any changes.
